Paundra Afif Zamroni

Back-End Developer | Undergraduate Informatics Engineering
Student at State Polytechnic of Banyuwangi
Banyuwangi, Jawa Timur, Indonesia

Ringkasan

Undergraduate student in the Software Engineering Technology Study Program, Department of Business and Informatics at Banyuwangi State Polytechnic. Currently participating in the SIB program at Coding Camp powered by DBS Foundation | Road to Future Workforce, with a learning path focused on Front-End and Back-End Development.

I am passionate about technology and committed to continuous learning. I believe that the combination of academic knowledge and hands-on experience through this program will equip me with the skills and mindset needed to thrive in the fast-paced, ever-evolving tech industry.
